# EMERGENCY RISK EVALUATION TABLE

**Calculate the potential of each emergency. The highest scores are probably your greatest risk. This tool, while subjective, is intended to give your organization a starting point.**

| Type of Emergency or Risk | High Low | Impact On Organization | | | Resources | | Total Points |
|---|---|---|---|---|---|---|---|
| | 5 ---- 1 | High Impact 5 ----- Low Impact 1 | | | Weak 5 ----- Strong 1 | | |
