Junior Instruction  
The First Tee TARGET Curriculum**

All of the Overland Park Junior Instruction programs include the TARGET curriculum from The First Tee. The TARGET program which is: T “take aim”, A “anyone can play”, R “respect”, G “golf is a game”, E “enjoy it” and T “try it” focuses not just learning how to swing a golf club and hit the ball, but also on the other parts of the game of golf. Parts of the game are familiar to most adult golfers, but maybe not to all juniors. Things like safety and etiquette are important lessons for both on and off the golf course. Through The First Tee TARGET program, young golfers see how a lesson like Taking Aim can be both golf course management and setting a goal; how Anyone Can Play is about handicaps and playing with others. The First Tee program provides a wonderful arena for positive and successful activities for young players to learn about the game of golf.
