

Emergency – 911

City Hall – 895-6000

## **Directory of Neighborhood Services City of Overland Park**

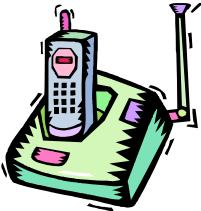

This directory provides a quick reference to key information and numbers to call about neighborhood related issues, including services provided by the city, other agencies and utilities.

The directory is grouped into related issues such as public safety and building code standards, etc. The issues listed are not all-inclusive. If you do not find a heading for a particular topic, check the index or call one of the general information numbers.

If you have a suggestion for enhancement of the directory, call Community Planning & Services at 895-6270 and ask for the Neighborhood Planner.

**Community Planning & Services  
8500 Antioch Road  
Overland Park, KS 66212**

## **Mission of city staff**

We, the employees of the City of Overland Park, Kansas, believe that our primary mission is to maintain and enhance a high quality of life for residents.

We see ourselves as an important resource in the partnership of residents, businesses, institutions and elected and appointed officials; a partnership continually reaching for high standards, dedicated to ensuring that Overland Park is a premier municipality.

### **We pledge ourselves to:**

**Service** to our community; promoting openness and access to government.

**Professionalism** based on honesty; integrity; loyalty and awareness of basic human values in our responses to every individual.

**Cooperation** with our policy makers and the public we serve, making their goals, needs and priorities our own.

**Innovation** in thought and action, recognizing and responding to current and future needs.

**Commitment** to a work environment that encourages each of us to reach our highest potential.

**Teamwork** to foster a sense of cooperation among all, recognizing and responding to current and future needs.

**Trust** earned by managing and maintaining the city's resources responsibly and by conducting ourselves in a way that gains the highest level of confidence from the community.

## A wealth of information on the Web

For those of you who spend time surfing the Internet, check out these sites for information on community organizations.

- **City of Overland Park** The city’s Web site provides a wealth of information at your fingertips. Press releases as well as current and commonly requested information can be found under “Hot Topics” on the first page, or type in a topic using the search engine. [www.opkansas.org](http://www.opkansas.org)

**Crime Mapping:** This interactive crime map is a resource for general information about criminal activity in the City. It is particularly aimed at people with an interest in a specific area, such as a neighborhood or apartment complex. Search “crime mapping” on the city’s Website.

**Stormwatch:** Check out weather conditions, rainfall amounts, flooding conditions and stream levels. [www.stormwatch.com](http://www.stormwatch.com)

**What’s Happening in My Neighborhood:** Type in your address to search for current public works projects, building permits, special event permits, road closure maps, traffic cameras, and more in your area. Look under “Hot Topics” to begin.

- **Creating Quality Places** The program’s goal is to foster the design of quality places in communities throughout the Kansas City region. The program’s 20 principles serve as a guide to quality development: [www.marc2.org/cqp](http://www.marc2.org/cqp)
- **Mid-America Regional Council (MARC)** serves as the association of city and county governments and the metropolitan planning organization for the bi-state Kansas City region.: [www.marc.org](http://www.marc.org)
- **One KC Voice serves the Kansas City metropolitan area giving the public a voice in decisions about public issues.** One KC Voice brings citizens together in dialogue through facilitated discussions, workshops, and online discussion forum and surveys. [www.onekcvoice.org](http://www.onekcvoice.org)

For more information go to [www.opkansas.org](http://www.opkansas.org)

- **Neighborhoods USA:** Shares information and experiences towards building stronger communities and encourages networking and information sharing to facilitate the development of partnerships between neighborhood organizations, government and the private sector.  
[www.nusa.org](http://www.nusa.org)
- **Neighborhood Link:** An internet based network that allows area neighborhoods to share ideas and information.
