Johnson County Department of Corrections House Arrest Information

TO: All Prospective House Arrest Clients

RE: House Arrest following CWIPS

In order to reduce any confusion regarding House Arrest supervision following participation in the Community Weekend Intervention Program, and to provide you with accurate information, please note the following:

All Municipal Court referrals to House Arrest must complete a House Arrest assessment prior to approval of and participation in the program. If you have not completed the assessment and received approval to participate in the program prior to your participation in the CWIPS program, you will not be placed on House Arrest. Assessments are only completed on Thursday mornings.

All persons doing less than 10 days on House Arrest will be charged a flat rate of \$120, or \$130 if long distance phone charges apply. Payment is required in money order form, payable to J.C.D.O.C. at the time of intake to or completion of the House Arrest program.

Clients utilizing a private House Arrest service must make arrangements to complete their House Arrest intake with the private vendor at a location other than the Johnson County Residential Center or Johnson County House Arrest Office. Private House Arrest vendors are not permitted within the facility.

Clients placed on House Arrest for ten days or less are not permitted to schedule work hours without a Court Order allowing such. If you are to work during your House Arrest supervision you must obtain permission in writing from the Court, which must be provided to House Arrest. Without written authorization you will not be permitted to work.

As the CWIPS program concludes on Sunday evenings you will meet with a House Arrest officer to be instructed in the use of, and issued, House Arrest monitoring equipment. Once you depart the CWIPS program you must report immediately to your residence to hook up the equipment and begin the electronic supervision.

Please feel free to contact Phillip L. Greer, Senior Case Manager with Johnson County Department of Corrections, House Arrest Office with questions at (913) 829-0800, extension 56324.
