This document is provided as a benefit to contractors and suppliers who are constructing public improvements in the City of Overland Park. This list shall not be used as a substitute for catalog cuts or material approval. All material approvals shall be submitted on approved forms.

This list is updated periodically. The contractor or supplier shall contact the City of Overland Park to make sure that they have the most current list prior to bidding a project. Failure to do so shall not constitute a legitimate claim for change orders.

If you are unable to download the forms, please contact Brian Scovill, 913-895-6052.
