

# **North Park Neighborhood Meeting**

Thursday, March 11, 2010

7 p.m.

Johnson County Northeast Offices, 6000 Lamar Ave.  
Meeting Room B

Community Policing is about forming partnerships and working together to prevent crime and solve community problems. Property maintenance codes are in place to maintain high standards for the quality of life of our residents. A North Park neighborhood meeting is being held to discuss both residential security and property maintenance with neighbors, city staff and your Ward 1 City Council representatives.

Community Police Officer Brian Hampton will be discussing crime and home security, and Skip Moon, manager of Community Services Section, will give an overview of property maintenance requirements in Overland Park. Both will take time to address any specific questions you may have.

This publication is printed and distributed by the City of Overland Park for the North Park Neighborhood.

If you have any questions, contact Tristan Cook, Neighborhood Planner 913/895-6339.
