

## Westlinks Lottery Information and Entry Form

**Explanation:**

By lottery, the City of Overland Park's Golf Division will designate a standing reservation for a prescribed tee time slot for a five-some on Saturday and/or Sunday mornings during the First Wave on the Westlinks Golf Course. This reservation will be from March 28th, 2009 through October 25th, 2009. Because of the continual change of sunrise throughout the year, the designated tee time will not be hour and minute specific, but will instead be "first tee time, second tee time, etc."

**Entry:**

All Golf Patron Card holders or Overland Park residents are eligible to participate in the lottery. Participants must have a current 2009 Patron Card or a current valid Drivers License displaying an Overland Park address. Overland Park business owners, who are not residents, must present ownership papers and photo identification to the Manager of Golf Operations by March 1st in order to be included in the lottery. Patrons who had a 2008 standing reservation do not need to participate in the 2009 drawing, but they must advise the golf shop if they wish to retain that time for 2009 and pay the deposit.

**Deposit Requirements:**

A refundable deposit of \$180 must accompany the application and that amount must be maintained throughout the golf season. The only time an amount will be deducted from the deposit is in the event of a No-Show. The deposit will be held until November 6th as an assurance that 5 golfers will play every week.

**Customer Commitment:**

The lottery winner must commit to five players each week for the entire season, March 25<sup>th</sup> through October 25th. The customer is responsible for knowing his specific tee time, hour and minute. It is the customers' responsibility to consult the 2009 Golf Program Book for the first tee time, and therefore their own tee time, throughout the season. The customer is responsible for maintaining Pace of Play. Failure to comply with Pace of Play guidelines may result in action by the City to terminate the agreement.

**Weather Policy:**

Inclement weather will be considered before any declaration by the Director of Golf of a No-Show.

**Cancellation / Modification Policy:**

Alterations to the tee time must be made through the Overland Park golf shop (913.897.3809 Ext. 2) one week in advance of the day of play in order to avoid application of the deposit. Cancellations or modifications cannot be made through the Tee Time Reservation system (TTRS), phone or internet. Any open slots within the tee time will be made available to other customers through the Tee Time Reservation System (TTRS). If the number of players is reduced less than one week prior to play and the slot is **not** filled, \$36 will be deducted from the deposit as payment for the unfilled player slot. The City reserves the right to rearrange/reschedule to a comparable tee time due to needs of the business with 15 days notice.

**Termination Policy:**

The agreement may be terminated by either the City or the customer at any time upon providing written notice at least 15 days in advance of tee time. The deposit is forfeited.
