

PBM RFP Question and Answers
City of Overland Park, Kansas

Q) Can we bid on this via our MNCP partnership?

A) No, you cannot bid this via the MNCP partnership because this is a public entity subject to FOIA.

Q) Will we receive a raw claims file (line by line claims) to analyze or should our analysis be based on aggregate data already included within the MS Excel workbook?

A) We've confirmed that what has been shared is all the data we are able to offer at this time. Formulate your proposal using the information provided.

Q) In order to offer the most aggressive pricing and a complete savings analysis, we need some additional data fields. Would you be able to provide a claim level data file with quantity and days' supply?

A) We've confirmed that what has been shared is all the data we are able to offer at this time. Formulate your proposal using the information provided.

Q) Can you please confirm if this is a direct quote or if we should be leveraging Mercer PBMC?

A) The City is a Public Sector Client that is subject to FOIA. Therefore, PBMC is not an option.
