

The Farmstead

Join the Herd, Join the Fun, Join the Friends of the Farmstead

A visit to Deanna Rose Children's Farmstead is unlike any other attraction in the Bi-state area. Featuring our wide variety of farm animals, daily activities and annual special events, a day at the Farmstead can be action packed. On the flip side, as an eight-acre public park, complete with gardens, ponds and a nature trail, some folks come out daily just to take a quiet early morning walk.

We all have the unique opportunity to help maintain the diversity and beauty of our Farmstead in a most convenient way. By becoming a Friend of the Farmstead, members of the community may personally share in a variety of activities which are of interest to each member. The Friends work closely with the managers, staff and special events.

While all of our members play a vital role in the preservation of the Farmstead, some choose to volunteer their time at the Farmstead helping with our Farm Fest, Georgia's Chicken Fun Run, Pumpkin Hollow and Nigh of the Living Farm. Others volunteer in our one-room schoolhouse assisting our younger guests with weekly craft activities. Volunteers also help maintain our gardens, greet our guests, run our concessions and assist with maintenance.

As a Friend of the Farmstead, you will receive a quarterly newsletter to keep you posted on current events and activities. Also included on your annual membership card, you will receive four of each of the following: pony rides, fishing exhibitions, soft drinks and animal feed. No need to tote around a pocket full of quarters!
