

Restaurant Consumer Tips

When Dining Out Always Insist On The Following:

- Hot foods served hot, and cold foods served cold
- No bare hand contact with ready-to-eat foods
- Clean restrooms
- Employees who practice good hygiene
- Employees with clean hands and nails
- Employees free of obvious communicable disease
- An establishment free of insect and rodent activity

If you observe any sanitation related conditions that you feel are not up to your expectations, call the City of Overland Park, Community Planning & Services at 913/895-6270.
